

Appendix C. Post-data collection event participant experience survey

1. Often in studies like this, researchers talk about “rapport” between the researcher and the participant(s). By rapport, they mean the degree of connection and engagement in communicating. How would you describe the level of rapport between yourself and the interviewer/moderator?

- A lot of rapport – I felt like we were highly engaged and connected
- Moderate amount of rapport – I felt like we were engaged and connected
- A little bit of rapport – I felt like we were sort of engaged and connected
- No rapport at all – I felt like we were not engaged and connected

Additional comments (*optional*):

2. Please respond to the following statement: I felt that the IDI/FG provided a safe space to talk and express my feelings.

- Strongly agree
- Agree
- Neither agree or disagree
- Disagree
- Strongly disagree

Additional comments (*optional*):

3. How comfortable did you feel answering questions in the IDI/FG?

- Very comfortable
- Moderately comfortable
- Slightly comfortable
- Not at all comfortable

Additional comments (*optional*):

4. How convenient was taking part in this IDI/FG for you?

- Very convenient
- Moderately convenient
- Slightly convenient
- Not at all convenient

Additional comments (*optional*):
